EQUIPMENTS

DAV EQUIPMENTS has been an expert in the development and manufacture of beverage cooling solutions for 60 years and offers you, through a proven process, a range of mobile furniture that ensures optimum beer service quality. We guarantee the freshness of your beers throughout your events: festivals, exhibitions, events, concerts, music festivals... The Roller Stand will ensure a flow rate on 2 nozzles of 165 l/h (ΔT 15). Its two foldable stainless steel shelves provide a comfortable working space of 2 m.
